

“MoU signing with L&T Edu Tech and Project Expo IGNITE’ 22”

The Department of Civil Engineering in association with the Association of Consulting Civil Engineers (India) organized the program “MoU signing with L&T Edu Tech and Project Expo IGNITE’ 22” on 1st June (Wednesday). Dr. G Chandramohan, Principal, PSG iTech welcomed the gathering. He briefed about the importance of Self-learning and lifelong learning for the students and faculty. Also, he pointed out the significance of MoU signing with L&T Edu Tech. Followed by, a brief address about L&T Edu Tech given by Mr. P Balamurugan, L&T Edu Tech. He stated that Edu Tech will act as a bridge in connecting students to every engineering domain and will provide exposure to real-time problems, and added about the importance of signing MoU.

Mrs. M. F. Febin, Head, College Connect Business, L&TEdutech, gave an introductory speech to the students about the importance of Civil Engineering stream, the holistic way of realizing projects, experiments, and added about the exposure to finance and management.

In addition, she gave a brief introduction to Edu Tech courses offered by L&T and mentioned about the advantages of taking the courses in Edu Tech. She highlighted that the courses will be handled by the field and academic experts; so that the students could get a real-time experience in their respective fields of study. Along with an introductory speech, Mr. L. S. Kannan, JGM& Head Concrete Management Department, L&T Construction delivered a lecture on “Learn core and practice concrete” and shared his expertise in the field of concrete. He emphasized the importance of pumping of concrete, handling, and production of concrete.

Dignitaries on the dais signing and sharing the MoU with L&T Edu Tech

During the occasion, the Department Magazine “Scripture” Volume 5 was released by the Chief Guests of the function. Also, awards were presented to the winners in the project expo

“IGNITE’22”. Finally, Dr. M. I. Abdul Aleem, Head of the Department, Civil Engineering, proposed the Vote of thanks for the support rendered by the Management, Principal of PSG iTech, and acknowledged the efforts of organizers and student volunteers for the smooth and successful conduct of the function.
